The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength and hope in order to solve their common problems. We believe alcoholism is a family illness and that changed attitudes can aid recovery.

Al-Anon is not allied with any sect, denomination, organization or institution; does not engage in any controversy; neither endorses nor opposes any causes. There are no dues for membership. Al-Anon is self supporting through its own voluntary contributions.

Al-Anon has but one purpose; to help families of alcoholics. We do this by practicing the Twelve Steps, by welcoming and giving comfort to families of alcoholics, and by giving understanding and encouragement to the alcoholic.
